جدول الدروس الاسبوعي

Name	Aqeel Mohammed Jasim		
E-mail	Aqeel.al.hamedi@sa-uc.edu.iq		
Course title	Linguistics		
Course Coordinator			
General Goal of the Course	Introducing the students to the important concepts, terms, and theories in the field of linguistics		
General Description of the Course	Discussing the important theories such as pragmatics and discourse analysis in Chapters One and Two. The course also aims to discuss the relationship of linguistics to society, history, and others in the second semester of the year. Discussing the different branches and theories of linguistics enables students to conduct research and studies in such fields with the possibility of applying them to the Arabic or English language.		
Textbooks	The Study of Language (by George Yule)		
Other Sources	An Introduction to Language and Linguistics (Ralph Fasold and Jeff Connor-Linton)		
	Final Exam	Quiz	Semester
-	60	10	30
	Grading		
	Other Information
