## **Course description form**

## Teaching Name: M.M. Ali Bassem Abdullah

### **Course description**

This course description provides a necessary summary of the most important characteristics of the course and the learning outcomes expected of the student to achieve, demonstrating whether he has made the most of the available learning opportunities . It must be linked to the program .description

Shatt Al-Arab College	Educational institution .1
law Department	University department / .2 center
International Humanitarian Law/ <b>312IH</b>	Course name/code .3
daily	Attendance forms available .4 (daily, weekly, monthly)
2023-2022	season/year.5
hour per week (1)	Study hours (total) .6
22 20/9/1	The date this description .7 was prepared

#### Course objectives .8

Teaching the student the subject of international humanitarian law and introducing him to the general principles and principles of the subject and to the detailed .provisions of many subjects of the subject

Learning outcomes and methods of teaching, learning and assessment .9 A- Cognitive goals A1- Teaching the student the general principles and fundamentals of the subject A2- Teaching the student the detailed provisions of the subject -A3 -A4 -A5 -A6 .B - the skills objectives of the course .B1 - Provide the student with knowledge and skill in the issues of the subject The ability to understand the relationship between international humanitarian - law, human rights and other similar branches B3 - The ability to understand the relationship between the practical reality and the theoretical concept -B4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject - Electronic oral exam - Student attendance, participation and interaction with the material C 1- Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4 Methods of teaching and learning Basic electronic lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject - Electronic oral exam - Student attendance, participation and interaction with the material C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4 Methods of teaching and learning Basic electronic lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject -C 4 Methods of teaching and learning Basic electronic lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject Evaluation modalities The electronic exam - Electronic exam -	
A1- Teaching the student the general principles and fundamentals of the subject A2- Teaching the student the detailed provisions of the subject -A3 -A4 -A5 -A6 B - the skills objectives of the course B1 - Provide the student with knowledge and skill in the issues of the subject The ability to understand the relationship between international humanitarian - law, human rights and other similar branches B3 - The ability to understand the relationship between the practical reality and the theoretical concept - B4 Methods of teaching and learning Basic electronic lecture - B4 Using modern learning tools and techniques (Power Point) - Practical teaching of judicial issues and rulings on the subject - Evaluation modalities The exam is electronic - Electronic oral exam - Student attendance, participation and interaction with the material - C - Emotional and moral goals C 1 - Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - Practical teaching of judicial issues and rulings on the subject - C 4 Methods of teaching and learning Basic electronic lecture - Interactive	Learning outcomes and methods of teaching, learning and assessment .9
subject A2- Teaching the student the detailed provisions of the subject -A3 -A4 -A4 -A5 -A6 .B - the skills objectives of the course .B1 - Provide the student with knowledge and skill in the issues of the subject The ability to understand the relationship between international humanitarian - law, human rights and other similar branches B3 - The ability to understand the relationship between the practical reality and the theoretical concept -B4 Methods of teaching and learning Basic electronic lecture - B4 Methods of teaching and learning Case electronic lecture - Using modern learning tools and techniques (Power Point) .Practical teaching of judicial issues and rulings on the subject - Evaluation modalities The exam is electronic - Electronic oral exam - Student attendance, participation and interaction with the material .C - Emotional and moral goals C 1 - Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue - C 4 Methods of teaching and learning Basic electronic lecture - Later - Late	A- Cognitive goals
A2- Teaching the student the detailed provisions of the subject -A3 -A4 -A4 -A5 -A6 -B - the skills objectives of the course .B1 - Provide the student with knowledge and skill in the issues of the subject The ability to understand the relationship between international humanitarian - law, human rights and other similar branches B3 - The ability to understand the relationship between the practical reality and the theoretical concept -B4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject - Evaluation modalities The exam is electronic - Electronic oral exam - Student attendance, participation and interaction with the material .C - Emotional and moral goals C 1 - Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject -C 4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject	A1- Teaching the student the general principles and fundamentals of the
-A3 -A4 -A5 -A6 B - the skills objectives of the course .B1 - Provide the student with knowledge and skill in the issues of the subject The ability to understand the relationship between international humanitarian - law, human rights and other similar branches B3 - The ability to understand the relationship between the practical reality and the theoretical concept -B4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject - Evaluation modalities The exam is electronic - Electronic oral exam - Student attendance, participation and interaction with the material .C - Emotional and moral goals C 1 - Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) -C 4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) -Practical teaching of judicial issues and rulings on the subject -C 4	5
-A4 -A5 -A6 B - the skills objectives of the course .B1 - Provide the student with knowledge and skill in the issues of the subject The ability to understand the relationship between international humanitarian - law, human rights and other similar branches B3 - The ability to understand the relationship between the practical reality and the theoretical concept -B4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject - Evaluation modalities C 1- Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4 Methods of teaching and learning Basic electronic lecture - Evaluation modalities C 1 - Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4	
-A5 -A6 B - the skills objectives of the course .B1 - Provide the student with knowledge and skill in the issues of the subject The ability to understand the relationship between international humanitarian - law, human rights and other similar branches B3 - The ability to understand the relationship between the practical reality and the theoretical concept -B4 Methods of teaching and learning Basic electronic lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject - Evaluation modalities Student attendance, participation and interaction with the material .C- Emotional and moral goals C 1- Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4 Methods of teaching and learning Basic electronic lecture - C 4 Methods of teaching and learning Basic electronic dialogue -C 4	
-A6 B - the skills objectives of the course .B1 - Provide the student with knowledge and skill in the issues of the subject The ability to understand the relationship between international humanitarian - law, human rights and other similar branches B3 - The ability to understand the relationship between the practical reality and the theoretical concept -B4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject - Evaluation modalities The exam is electronic - Electronic oral exam - Student attendance, participation and interaction with the material .C - Emotional and moral goals C 1- Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject C 1- Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4	
.B - the skills objectives of the course .B1 - Provide the student with knowledge and skill in the issues of the subject The ability to understand the relationship between international humanitarian - law, human rights and other similar branches B3 - The ability to understand the relationship between the practical reality and the theoretical concept -B4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject - Evaluation modalities The exam is electronic - Electronic oral exam - Student attendance, participation and interaction with the material .C - Emotional and moral goals C 1- Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - Practical teaching of judicial issues and rulings on the subject - Electronic oral exam - Student attendance, participation and interaction with the material .C - Emotional and moral goals C 1- Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) .Practical teaching of judicial issues and rulings on the subject Evaluation modalities	
.B1 - Provide the student with knowledge and skill in the issues of the subject The ability to understand the relationship between international humanitarian - law, human rights and other similar branches B3 - The ability to understand the relationship between the practical reality and the theoretical concept -B4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Interactive lecture - Interactive lecture - Evaluation modalities The exam is electronic - Electronic oral exam - Student attendance, participation and interaction with the material .C - Emotional and moral goals C 1 - Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - .C - Emotional and moral goals C 1 - Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) .Practical teaching of judicial issues and rulings on the subject Evaluation modalities	
law, human rights and other similar branches B3 - The ability to understand the relationship between the practical reality and the theoretical concept -B4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject - Evaluation modalities The exam is electronic - Electronic oral exam - Student attendance, participation and interaction with the material .C- Emotional and moral goals C 1- Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject Evaluation modalities	5
B3 - The ability to understand the relationship between the practical reality and the theoretical concept -B4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject - Evaluation modalities The exam is electronic - Electronic oral exam - Student attendance, participation and interaction with the material .C- Emotional and moral goals C 1- Increase the high sense of responsibility C 2 - Strengthening the student's self-confidence C 3 - Develop his ability to dialogue -C 4 Methods of teaching and learning Basic electronic lecture - Interactive lecture - Using modern learning tools and techniques (Power Point) - .Practical teaching of judicial issues and rulings on the subject	The ability to understand the relationship between international humanitarian -
