13- Course improvement plan

1. Curricular Integration: Align the Literary Criticism course with other literature subjects (e.g., poetry, drama, and novel studies) to create a cohesive understanding of literary analysis across genres and periods.
2. Multimedia Support: Enhance the theoretical content with audio-visual materials such as recorded lectures, film adaptations, and interactive presentations to deepen engagement and illustrate critical approaches in action.
3. Active Learning & Assessment: Implement continuous assessment strategies including group discussions, and short analytical assignments to monitor progress and encourage critical thinking.
4. Skill-Based Outcomes: Focus on developing students' analytical, interpretive, and evaluative skills through practical exercises that connect theory to textual analysis, preparing them for academic research or professional application.
