

Noor Al-Huda Qasim Abdulhussein

Email: alkhaldinoor97@gmail.com

Phone: +964 771 869 8376

Address: Basra, Iraq

Personal Information

- **Date of Birth:** July 23, 1997
 - **Marital Status:** Married
 - **Nationality:** Iraqi
 - **Title:** Al-Mohsen
-

Objective

A dedicated and detail-oriented geologist with advanced academic qualifications, including a Bachelor's in Geology and a Master's in Petroleum Geology. Skilled in data analysis, technical software, and academic research, aiming to leverage my knowledge and skills in a professional environment.

Education

Master's Degree in Petroleum Geology

University of Basrah – College of Science, Basra, Iraq

Graduated in 2024

Bachelor's Degree in Geology

University of Basrah – College of Science, Department of Geology, Basra, Iraq

Graduated in 2018-2019

Certifications

- **Professional Safety Certificate (CBRN):** Trained in chemical, biological, radiological, and nuclear safety protocols Certification of the University of Basra, December.2022.
 - **Research Participation Certificate:** Participate by submitting research in the First International Conference of the College of Oil and Gas in Basrah,20-21/October/2024.
 - **Research Publication:** A Comprehensive Assessment of Natural Fractures in the Mishrif Formation: Slide Studies, Core Samplings, Borehole Imaging, and Logging Techniques published in May16,2023 in Iraqi Journal of Science (IJS). (Scopus-indexed).
-

Skills

Technical Skills

- Proficient in **Interactive Petrophysics (IP)** for:
 - Log Analysis (Logs)
 - Image Log Interpretation
- Experienced in **Microsoft Word** and **Excel** for data documentation and analysis.
- Familiar with geological and petrophysical tools.

Computer Skills

- Intermediate knowledge of **Interactive Petrophysics (IP)** software.
- Strong proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).
- Ability to manage and analyze geological data efficiently.

Soft Skills

- Excellent problem-solving and analytical skills.
- Effective communication in Arabic and intermediate proficiency in English.
- Highly organized and able to manage multiple tasks simultaneously.

Research and Publications

- Presented research at the First International Conference of the College of Oil and Gas.
- Authored a research paper accepted for publication May16,2023 in the Iraqi Journal of Science (IJS). (Scopus-indexed).

Languages

- **Arabic:** Native
- **English:** Intermediate

Interests

- Research and development in geology and petroleum engineering.
- Continuous learning and professional growth in the oil and gas sector.
- Participation in industry-related conferences and workshops.
