

Curriculum - vitae

1- Personal information .

Name	ALI HUSSEIN ALI
Date of brith	01/07/1964
Place of brith	Basrah- Iraq
Mobile :-	+9647730097210
E- mail :-	Ali.hussain.alikareem@sa-uc.edu.iq
Scientific Title	Asisstant Lecturer
Career Title	Co- professor
Union membership	Member of engineers of syndicate in Basrah

2- Education

Degree	Name of university	Specialization	GPA	Year
BA	University of Basrah,Iraq	Civil engineering	medium	2003
MA	Acharya nagarjuna University	structure	Excellence	2017

3-Computer Experience:-

- windows(XP,Vista,7,10).
- Microsoft office.
- Autocad,Sketech up 2018
- Excel 2016
- Power point 2016
- Engineering software programs (ETABS,SAP 2000)

4-Professional and teaching experiences:-

Period	Type of experience	Place
1985-1987	A student at the technical Institute of Basrah	Basrah-Iraq
1988-1992	Delegated as a technician in construction Laboratories in Basrah	National Laboratory Center/Basrah Institute
1992-1999	An employee on Basrah the permanent staffing on the Technical Institute in Basrah	Basrah Technical Institute
2000-2022	Teaching theoretical and laboratory lectures (quantitates survey ,soil Mechanics, construction machinery)	Basrah Technical Institute-Southern Technical University in Basrah
2023-2024	“I was promoted and appointed as ahead of the surveying Technologies Department at the Technical Institute in Basrah .	Technical institute-Southern Technical university in Basrah
2024-----	Iam currently working as alecturer at the university of shatt al-Arab/college of engineering-Department of Civil Engineering	Shatt- al-Arab university

5-Training sessions:-

Name of session	Session Place	session Period
1-Treatment of drinking water and a sanitation	Cario-Egypt	2005(20days)
2-Project management-basic level	National center for consultations and administrative development ,Basrah-Iraq	2010(14 days)
3-Courses and tests the validity of teaching	Southern Technical university ,Barah- Iraq	2014(7 days)
4- Construction Designs	Engineering syndicate-Basrah,Iraq	2014(30 days)
5- Several engineering educational courses	Southern Technical University	2000-2023

6- Participation in Committees and activities:-

1-Head of the building Maintenance Committee for Faculty Housing at the Technical Institute in Basrah (2008).

2-Head of the committee for implementing of the Pharmacy department and community health department at the Technical Institute in Basrah(2006-2008).

3-Head of the committee for implementing of the electrical department at the Technical Institute,Basrah,Iraq (2012).

4- Head of the committee for rehabilitating the chemical industries department at the Technical Institute in Basrah ,Iraq (2013)

7-Conferences and workshops:-

- 1-Participation in the scientific conference of “Soil Mechanics and Foundation Engineering” in the Research tagged (settlement expected for buildings of district-Basrah/ Iraq.((National Laboratory center-2000).**
- 2-National Workshop on deep foundation Technologies for in Fra structure development of Andhra Pradesh ((DFI of India and university of Acharya Nagarjuna India (2016).**
- 3- Scientific research is the Balance of developed Nations and their path towards development. (Southern Technical University -Basrah (2018)**

8-Research Published:-

- 1-Research requirements for Master’s degree –“Study of the soft storey effects on the performance of high rise RC structure under seismic load”.**
- International journal of engineering science -Volume 7- ISSUE 4- April 2017.
- 2-Research paper titled (Performance of Diagonals inHigh Rise Steel Structures)/this paper was published in the International Journal of Civil Engineering and Technology)-(IJCET)volume10-issue 02-in february2019 on pages 1082-1092 -it is indexed in SCOPUS**

9-Preparing Training courses and community services:-

- Prepare and provide vocational courses for the unemployed (Technical Institute Basrah (2009).**
- Prepare and provide vocational courses for the unemployed (Technical Institute Basrah (2011).**
