Experience of negotiating for government grants for NHS research for
Master and Ph.D. in Engineering
Personnel management within the private sector having worked with a  very well-known company in Iraq.

### **Short Courses**

Suggestions has been made to the Faculty of Technological Studies in Kuwait to run the short courses list below.

<b>Short Courses</b>
Signal Processing
Software Engineering
Digital Electronics
Experts System

<b>Teaching interests</b>
Introduction to information systems undergraduate and postgraduate level
Digital Signal processing
Distributed systems
Parallel processing
Networking
Signal Analysis and processing
Business Management
Computer Systems
Software Engineering
Information Systems
Research
